

## The next best thing to home care

We at Little Leaders believe in providing a loving and playful environment for children so that they are well adjusting, balanced and nurtured in every aspect of life. Just as a strong foundation is important for a strong structure, these strengths also help children to grow into balanced and a fully motivated individuals.

Our objective is to provide every child with best-in-class Daycare facilities, leading programs and learning techniques. To ensure the same we are constantly striving to advance our curriculum and attentive programs, by subscribing to the latest developmental studies and breakthrough outcomes in childcare programs.

We also understand the challenges that parents face with balancing their work and child rearing needs. Thus, we have created personalized programs to assist you, so that you don't have to choose between quality Daycare services, your work responsibilities or your budget.

**Little Leaders**<sup>®</sup>  
THE BEST PLAY SCHOOL

## Education is not preparation for life. Education is life itself

Little Leaders Play School established in the year 2009 is a premier school under the aegis of Leaders Learning House Private Limited incorporated under the companies Act 1956, registered in New Delhi. The institution has an educational policy that is dynamic in approach and in accordance with the changing needs of the society. The school aims at providing a conducive environment to stimulate intellectual growth of each child.

Little Leaders Play School is an initiative taken by an expert team of two generations working in education line from more than 50 years of combined experience. Our core team is an experience of running both Sr. Secondary and Play Schools.

Being a team of professionals our main motto is to give major emphasis on the curriculum and infrastructure. We are having a dedicated team of more than 40 people for developing our World Class Curriculum, which takes care for all round development and enhance the Intellectual, Creative, Cognitive, Motor and Socio-Emotional Development of children from the age group of 2 years to 4+ years in the play school. Fully Air-condition school with Smart /interactive boards in the classrooms.

The school with a vision to provide a carrying & supporting environment with a deep focus on giving best platform to the kids so as to prepare them to emerge as Leaders in such a Competitive World.

## Little Leaders : Strategy

Little Leaders is not only a school but also a place where emphasis is given on providing special attention to each child's mental, physical and emotional growth, to develop the skills of "Self Discovery", "Logical Thinking" and "Observation".

## Little Leaders : Aspiration

It is our endeavour to make every child expressive, innovative and inculcate the life skills. We impart quality education is unique teaching by unique teaching methodology **Inquiry - Based Learning**, which helps the child to excel in reading, listening, asking & learning.

## Be Present to the facts :

- Maximum development of a **child's** brain happens upto 5 years of age
- Child needs to 'Touch', 'Learn', 'Explore' and 'Enjoy' to understand the world around them
- Children are like clay, we have to mould them
